

**BEFORE THE BOARD OF EDUCATION OF THE LODI UNIFIED SCHOOL DISTRICT
OF THE COUNTY OF SAN JOAQUIN, STATE OF CALIFORNIA**

RESOLUTION 2021-56

THE NEED FOR EMERGENCY PROCUREMENT

WHEREAS, the Lodi Unified School District (the "District"), is committed to the health and safety of students and staff; and

WHEREAS, the District proceeds with aggressive and appropriate corrective action whenever hazardous conditions may exist; and

WHEREAS, the staff of the District has reported to the Board substantial evidence of a network interruption and that the damage poses a clear and imminent danger, requiring immediate repair or replacements to prevent or mitigate the loss or impairment of life, health, property, or essential public services;

WHEREAS, Public Contract Code 20113 allows school districts to let these types of contracts in an emergency situation, if certain conditions are met, including concurrence of the County Superintendent and a unanimous vote of approval by the local district's Board of Education; and

WHEREAS, the Superintendent of the San Joaquin County Office of Education has given approval for the District's request to declare this project an emergency.

NOW, THEREFORE, BE IT RESOLVED that the Board finds that the network interruption is an emergency as the term is defined in Public Contract Code Section 1102, namely, a sudden, unexpected occurrence that poses a clear and imminent danger, requiring immediate action to prevent or mitigate the loss or impairment of life, health, property, or essential public services;

BE IT FURTHER RESOLVED that the Board finds that to prevent or mitigate the loss or impairment of life, health, or essential public services, it is necessary and proper to delegate to Superintendent of the District (and Superintendent's designee), the authority to order contracting and purchasing for emergency work, equipment and supplies without adopting plans, specifications, strain sheets, or working details, or giving notice for bids to let contracts;

PASSED AND ADOPTED by the following vote of the members of the Board of Education of the Lodi Unified School District, San Joaquin County, California, this 19th day of October 2021.
