2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

The Joe Serna, Jr. Charter School (JSJCS) is located at 4620 Acampo Road in Acampo, California. This is the start of the fourth year at this new location. Joe Serna School was opened in the Fall of 2000 with 180 K-5 students and was named after the late mayor of Sacramento and former Lodi resident, Joe Serna, Jr. The students, staff, and families of the school participated in the naming process during the Spring of 2001. JSJCS currently has 357 K-8 students during the 2022-23 school year. The school operates on a modified traditional calendar of 180 school days. The campus currently includes 20 classrooms, school office, cafeteria, library and playground. There are 16 classroom teachers, 1 RSP teacher, 1 PE teacher, 1 part-time school counselor, 1 part-time school psychologist, 1 part-time Speech and Language Pathologist, three part-time music teachers, and 21 classified personnel. Students also participate one time a week in dance and art; they alternate between the two classes every 10 weeks during the year. There are a total of five minimum days for parent conferences in the fall and students have one minimum day each week for teacher planning and staff development. The student population at Serna Charter School is dominated by two main ethnic groups: Hispanic and Anglo with a small student population of Asian and African American students. Over fifty percent of the students at Serna were Limited English Proficient (LEP) and the free and reduced lunch percentage is 69.9. Serna Charter School qualified for Title I targeted intervention money for the first time during the 2000-2001 school year but did not receive funding until the 2002-2003 school year. The school no longer receives targeted intervention money.

The school instructional minutes are as follows per grade level. Students in kindergarten attend school for 265 minutes a day which exceeds the requirements for kindergarten. Students in first through third grade attend for 305 minutes, fourth and fifth grade attend for 322 minutes, and sixth through eighth grades attend school for 356 minutes per day. The time is adjusted on the minimum days to ensure instructional minutes are met. Additionally, the Educational Program and Instructional Design is intended to maintain the small size of the current 357 students. There are two classes for each grade level and each teacher is fully credentialed.

The curriculum focus is based on the California State Standards in language arts, math, science, social studies, and the arts. Our goal is to have all students reading at grade level. Student outcomes for each level are designated by Lodi Unified School District and intervention for students is provided based on these assessments. Other academic support is provided through support personnel, equipment, supplies, and resources. Staff development opportunities for teachers include school and district in-service, conferences, and coaching opportunities in math and language arts. Evaluation of student achievement includes SRI assessment, LUSD District assessments as well as teacher designed assessments. Our school began a two-way

immersion, Spanish/English, program during the 2001-2002 school year at the K/1 level and currently all but three classes in 6th, 7th and 8th which include math, science and English Language Arts do not participate in the program. Students do receive EL support as needed.

Program Features include even number of Spanish and English-speaking students in each class. Kindergarten and first grade: 90% of the day is spent in Spanish in order to foster true proficiency in both languages over time. A gradual shift in the percent of time spent in Spanish diminishes to 50% by fourth grade in order to ensure proficiency in English and Spanish. Content Standards of the State of California are the same for students in this program as in other English immersion programs. For Language Arts, reading instruction is aligned with California State Standards and is taught in whole group lessons as well as in smaller groups targeted toward the achievement level of these groups. A balanced literacy model was implemented which includes Read Aloud, Shared Reading, Guided Reading, Independent Reading, Modeled Writing, Interactive Writing, Writer's Workshop, Independent Writing, Phonemic Awareness, Phonics, Literature Circles, and Reciprocal Teaching. A spelling program was adopted for 2002-2003 school year. The Rebecca Sitton Spelling Program focuses on high frequency words and spelling patterns and is intended to improve spelling during writing tasks. We have aligned this program with the state standards and it meets or exceeds standards in the areas of spelling and written language. For English Language Development (ELD), all students at JSCS receive daily instruction in English in accordance with state standards. For students who are English learners, the English instruction includes structured English Language Development delivered at the student's level of English proficiency. ELD includes four components: a) listening; b) speaking; c) reading; and d) writing. The Instruction is designed to bring students to mastery of state ELD and ELA standards, develop students' English proficiency and provide access to academic content instruction. Furthermore, the staff implements Specially Designed Academic Instruction in English (SDAIE) techniques in both English and Spanish as the delivery model for a school wide, content-based language development program. These techniques include whole group, explicit instruction to introduce new concepts, and small leveled group instruction to differentiate and reinforce the ELD standards that are being targeted for each group of English learners. Students also engage in cooperative group activities and independent practice to acquire linguistic competency.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:

Year built 1958.

MAINTENANCE AND REPAIR:

The Serna School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECT S: N/A

MODERNIZATION PROJECTS:

NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Joe Serna, Jr. Charter School on 11/20/2023.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of November 2023, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Joe Serna Jr. Charter School.

These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to be partners in their child's education. Each family is expected to reach the goal of thirty hours of participation each year at Serna Charter School. There are ample opportunities for parents to volunteer and attend community events hosted at JSJCS. Parents are encouraged to volunteer in the class, help with projects at home, chaperone on field trips, chaperone on a week-long Science Camp field trip, Winter Performance, and Fun runs. Parents are invited and encouraged to become active members of PTA where their support is essential in planning and coordinating the Scholastic Book Fair, Bingos and Brew Fundraiser, Fall Festival, Parade of Lights, 2nd grade Holiday Boutique, Tamale Making event, 3rd, 4th and 5th grade Etiquette lunches, Lunch with a loved one, Wine and Dine fundraising event, teacher appreciation week, Field Day, science night, math night, and family movie night.

We also host events for families to meet and greet with the staff at Back to School Night, Open House, principal chat meetings, ELAC meetings, and Serna advisory committee meetings.

2023-24 School Safety Plan

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 09/23/2022.
