

LODI UNIFIED SCHOOL DISTRICT

REVISED

Policy 3517

Business and Non-Instructional Operations

Building Security

The Board of Education is fully committed to preventing crime on school grounds. The Superintendent and staff shall strictly enforce all board policies related to crime, campus disturbances, and campus intruders.

The Superintendent or designee shall establish procedures for securing records and funds and for protecting district property against vandalism and theft. The Superintendent or designee also shall investigate and implement ways to make school grounds more secure.

The Superintendent or designee ~~The site administrator of each site or school~~ shall ensure that every his/her site has a comprehensive safety plan in compliance with requirements of SB 198 Injury and Illness Prevention Program.

For the purposes of school safety and security, the ~~Superintendent site administrator~~ or designee may design a visible means of identification of staff members or visitors on school premises.
