#### 2023-24 School Description and Mission Statement

Established in 1985, Clairmont Elementary is situated on Lemans Avenue in the City of Stockton, California. Functioning as a neighborhood school, Clairmont is strategically positioned within a diverse, multi-ethnic residential area. Catering to a student body of approximately 400, spanning from preschool to sixth grade, we actively encourage and foster collaboration between parents and school personnel to shape the educational experiences and advancement of our students.

Clairmont Elementary School is dedicated to serving both regular education and special education students. The institution features a comprehensive array of programs, including a resource specialist program and three special day classes tailored for K-6 students. Additionally, our after-school Bridge program accommodates approximately 90 students, offering vital homework assistance and engaging activities.

Committed to fostering a culture and climate characterized by respect, responsibility, safety, and kindness, Clairmont Elementary prioritizes the well-being of our students and staff. Emphasis is placed on delivering high-quality daily instruction, with an unwavering commitment to safety and a focus on meeting the diverse needs of our students. Through a combination of general education classes, special education classes, and intervention services, Clairmont Elementary School is dedicated to the overarching goal of providing the optimal education for all students across both regular and special education classrooms.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

#### School Facility Conditions and Planned Improvements

#### AGE OF SCHOOL BUILDINGS:

This school is on 9 acres and was built in 1985. It began with 11 classrooms, multi-purpose room, administrative office, and 12 portable classrooms. Ten portable classrooms were added between 1989-1999 along with one portable to be used by Healthy Start in 2000 and one portable to be used by Headstart in 2001.

#### MAINTENANCE AND REPAIR:

The Clairmont School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

#### CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. The Principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

#### DEFERRED MAINTENANCE PROJECTS: N/A

#### MODERNIZATION PROJECTS:

2012 Fire alarm replaced; 2013 Improved security entrance area & completed various siding repairs; 2014 Intercom system upgrade, added access controls, cameras & iron fence gate. 2015 added new perimeter fencing; re-roofed project on built up roofs. 2016-17 Parking Lot/Playground Safety Project. 2017 Seal coated parking lot area & added more cameras. 2017 Prop 39 Yr 2 W ire less Energy Management System Replacement Project completed. 2017 New play structure installed. 2017-18 Replaced fire alarm in P34. 2018 Replacing fibar in primary playground with a soft surface material as a trial.

#### NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Clairmont on 11/20/2023.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of November 2023, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Clairmont.

These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- · abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

## B. Pupil Outcomes

## **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### **College and Career Ready**

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

# C. Engagement

# State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

For those parents desiring active involvement in leadership teams, school committees, school activities, or wishing to volunteer at Clairmont Elementary School, we invite you to reach out to Principal Shaunte Shorter at (209) 953-8267.

Our School Site Council (SSC), a collaborative body comprising teachers, parents, and administrators, convenes six times a year. The SSC plays a vital role in overseeing school projects, evaluating categorical expenditures aimed at enhancing academic achievement, reviewing curriculum, addressing school safety, and discussing educational issues.

Additionally, the English Learner Advisory Committee (ELAC) gathers six times annually to facilitate presentations and discussions concerning matters relevant to parents of English language learning students.

Parents will receive notifications regarding available parenting skills sessions both at our sites and within the district. We actively encourage parental participation in opportunities at the school, fostering involvement both in classrooms and at home to amplify parental engagement and, consequently, student achievement.

Furthermore, parents will be informed and encouraged to attend school sessions dedicated to discussing their student's achievement, the academic content of their grade level, areas of strength, and opportunities for growth. These interactions will be facilitated through school and parent programs, parent meetings, and conferences.

Written notifications will be provided to parents, offering opportunities to attend meetings centered around district assessments and the school's achievement.

We extend invitations to parents to actively participate in school activities designed to foster and bolster their involvement in their children's education. Your engagement is crucial, and we welcome your presence in events that encourage and support your active participation in your child's educational journey.

#### 2023-24 School Safety Plan

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 10/21/2022.
