**PROPOSED UPDATE to 2008 MEMORANDUM OF UNDERSTANDING**

**between**

**LODI UNIFIED SCHOOL DISTRICT (LUSD)  
and  
CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION (CSEA)  
and  
LODI UNIFIED SUPERVISORIAL GROUP (LUSG)**

The Lodi Unified School District (LUSD) has an existing Memorandum of Understanding (MOU) covering compensation for employees in CSEA and LUSG who serve as “designated on call employees during the district’s non business hours” signed May 22, 2008. (The original MOU is attached)

As the compensation to employees for this service currently remains the same as it has been since May, 22, 2008, LUSD proposes to increase the compensation under Item 1 of the existing MOU to \$314.00/week “for each seven day period they serve as the designated on-call employee” as stated in Item 1 of the original MOU.

This agreement will be effective for the first full week beginning immediately after ratification has been completed by both LUSG and the Board of Education.
