

LODI UNIFIED SCHOOL DISTRICT

REVISION

Policy 3541.3

Business and Non-Instructional Operations

Operation of Buses and Equipment

The operation of school buses and equipment shall be the responsibility of the Director of Transportation under the general direction of the Chief Business Officer.

1. Driver Licenses, Certificates, and Other Qualifications

Every driver ~~using a district of school~~ vehicle must hold a valid California operator's license of the proper class.

School bus drivers must hold:

- a. ~~a~~ Class B or A California Commercial Driver's License with "P" and "S" endorsements.
- b. ~~a~~ California Special Drivers Certificate indicated for a School Bus
- c. ~~and a~~ Valid first aid certificate or ~~other first aid certification~~ card issued by any organization approved by the Emergency Medical Services Authority (EMSA).
- d. A report of a medical examination conducted in accordance with the timelines and procedures specified in Vehicle Code 125173.2.

2. Bus Inspections

Each school bus shall be inspected by the driver daily, before use. The inspection will include all items on the check list. No pupil shall be transported until all defects discovered in these tests have been corrected, as required by law. ~~In addition, a Weekly Bus Inspection Report shall be completed by the driver for each bus.~~

3. Fees

A standard bus and equipment fee schedule designed to recover all district costs shall be developed by the Transportation Department and annually reviewed by the Chief Business Officer.
