

# The Naming of Extension Road Complex

April 2, 2024

Presented By:

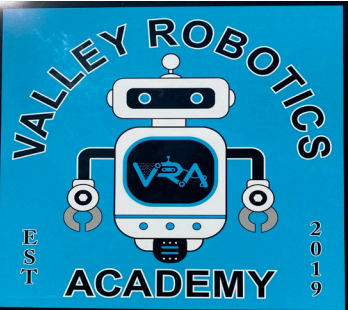

Mr. Peter Lambert

Mr. Erik Sandstrom

Mr. Robert Woodfork

Educating Students for Success.

# Extension Road Complex

# Executive Summary

- In order to facilitate a unified campus at the Extension Road Complex, site administration proposes forming a committee to rename and refresh the brand of Independence High School and Valley Robotics Academy.
- In accordance with [Policy 7310 - Naming of Facilities - Lodi Unified School District \(lodi.k12.ca.us\)](https://www.lodi.k12.ca.us/policy/7310), the naming of buildings, parts of buildings, athletic fields, or other structures may be done in recognition of the contributions of students, staff members or community members at the discretion of the site principal in consultation with students, staff, and parents, with the express approval of the Superintendent and/or designee.
- The committee will be made up of Site Administration, parents/guardians, students, teachers, and classified staff.
- The committee will approve surveys to gather input from stakeholders in line with the policy guidelines. The committee will play a vital role in ensuring that a fair and unbiased process is followed.
- Our goal is to finalize the new name before the end of the school year.

Any guidance or questions ?
