Homeless Children and Youth

There is additional funding in ESSER III to support Homeless Children and Youth (HCY). These funds may be used in accordance with all allowable uses under McKinney-Vento Education for Homeless Children and Youth:

- Providing wraparound services (which could be provided in collaboration with and/or through contracts with community-based organizations, and could include academic supports, trauma informed care, social-emotional support, and mental health services);
- Purchasing needed supplies (e.g., PPE, eyeglasses, school supplies, personal care items);
- Providing transportation to enable children and youth to attend classes and participate fully in school activities;
- Purchasing cell phones or other technological devices for unaccompanied youth to enable the youth to attend and fully participate in school activities;
- Providing access to reliable, high-speed internet for students through the purchase of internet connected devices/equipment, mobile hotspots, wireless service plans, or installation of Community Wi-Fi Hotspots (e.g., at homeless shelters), especially in underserved communities;
- Paying for short-term, temporary housing (e.g., a few days in a motel) when such emergency housing is the only reasonable option for COVID-safe temporary housing and when necessary to enable the homeless child or youth to attend school and participate fully in school activities (including summer school); and
- Providing store cards/prepaid debit cards to purchase materials necessary for students to participate in school activities.

20% Requirement

LEA shall reserve not less than 20 percent of such funds to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on the student subgroups.
