

BEFORE THE BOARD OF EDUCATION OF THE LODI UNIFIED SCHOOL DISTRICT
OF THE COUNTY OF SAN JOAQUIN, STATE OF CALIFORNIA

PROCLAMATION

National School Nurse Day

May 8, 2024

WHEREAS, school nurses understand the link between health and learning and are in a position to make a positive difference for children every day; and

WHEREAS, school nurses identify health problems, develop plans, and provide treatment for medically fragile students and students with severe health needs, including anaphylactic allergies, diabetes, and asthma, in order that all children can access learning and be safe at school. With the support of school nurses, students with chronic illnesses are able to attend school with fewer interruptions in learning; and

WHEREAS, school nurses play an integral role in assisting families to access health care for their children. School health service programs emphasize prevention of disease and promotion of health and health services, health counseling, and health education. School nursing is a specialized practice of professional nursing that advances the well-being, academic success, and lifelong achievement of students.

THEREFORE, BE IT RESOLVED, that the Board of Lodi Unified School District recognize May 8, 2024, as “*National School Nurse Day*” in Lodi Unified School District.

PROCLAIMED this 7th day of May 2024.

Gary Knackstedt
President, Board of Education
Lodi Unified School District
