

Business Services Restructure

By: April Juarez and Edith Holbert

August 6, 2024

Educating Students for Success.

Restructure Goals

- ✓ Provide increased maintenance and facilities services to school sites.
- ✓ Enhance efficiency and support by providing flexibility and optimizing resources across departments.
- ✓ Address increased responsibilities and certification standards mandated by local, state, and federal laws.
- ✓ Internal staff have first opportunity to position postings.

Realizes a cost savings of \$35,109.
