### Behavioral Interventions for Special Education Students

~~A special education student's minor behavioral problems shall be subject to the disciplinary measures applicable to all students for such infractions. ~~When a special education student's serious behavioral problem significantly interferes with implementing the goals and objectives of his/her individualized education program and/or poses a significant danger to himself and others, a functional analysis assessment shall be conducted with parental consent and a written Behavioral Intervention Plan will be developed for the student in accordance with law and SELPA procedures.~~

~~The Superintendent or designee shall ensure that staff is informed of the SELPA's policy and regulations governing the systematic use of behavioral and emergency interventions.~~
