

Section 504 Program Management System Frontline Education

Presented by: Paul Warren

Executive summary

- This item is being brought to Board as “Other Action” item instead of “Report” item to expedite CDE required 504 electronic monitoring program prior to 20-21 purchasing deadline to allow data exchange prior to 21-22 School year
- Frontline is an online Section 504 program management system that will:
 - Support compliance with Section 504 Regulations
 - Allow Section 504 coordinators to efficiently build an online, multi-faceted individualized accommodation plan
 - Provide Section 504 teams with forms that are aligned to federal guidelines
 - Allow for administrative visibility and management of Section 504 plans
 - Provide legally defensible and readily available documentation
 - Furnish shareable Section 504 plans to all team members electronically
 - Supply an archive of all documents supporting a plan in one secure and accessible location
- Implementing Frontline’s Section 504 Program Management system will fulfill an approved outcome for our Significant Disproportionality Comprehensive Coordinated Early Intervening Service Plan (CCEIS)
- **Cost:** Frontline implementation and prorated unlimited usage **\$22,649 + applicable tax paid for with CCEIS funding**
- **Annual renewal cost: \$15,204** that will be paid for with CCEIS funding
