Mr. Heberle inquired as to the percentage a school must attain to be qualified for free/reduced lunch funding. Dr. Ceja explained the multiplier that is employed to attain the percentage. Dr. Washer noted that a different format would have eliminated some schools from receiving the funding.

Mr. Heberle asked how new personnel could be added after the LCAP is completed. Dr. Sahli explained how that might be achieved.

Mr. Neely began a discussion related to the academic standard percentages of Title 1 and non-Title 1 school sites. He presented charts, as examples of the disparities of test scores.
